

Engineering Solutions to Enhance Performance

CAPABILITIES STATEMENT

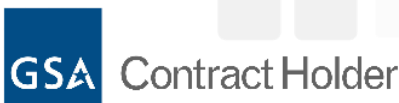

IT Data Consulting (ITDC) is an SBA Certified 8(a) Information Management and Technology (IMIT) Consulting firm dedicated to the success and sustainability of our customers and their missions. Since 2010, we have been providing cost-effective, scalable, and task-specific enterprise business and IMIT solutions. Our combination of broad technical expertise, understanding of various industry domains, business/IMIT solution delivery experience, and lean business practices ensure that we deliver best value solutions to our customers.

ITDC has a passion for creating solutions based on industry best practices, proven engineering methods, and effective technical approaches that deliver a high return on investment and quality services. We value our relationships with our customers and partners, and always striving to provide excellent services that exceed expectations.

Why ITDC

- ✓ ITDC provides cost-effective solutions to satisfy complex requirements and needs.
- ✓ Our solutions delivery teams are experienced in various technologies and project management frameworks.
- ✓ We are committed to delivering excellent services and best value outcomes.
- ✓ ITDC has a verifiable track record of exceeding customer expectations. ITDC received a 96% D&B Rating since 2016.
- ✓ Our employees are highly educated and industry certified Subject Matter Experts (SME's).
